

## Iteration-1 Plan

Last Modified: 10/14/15

User-stories to be implemented in iteration 1:

### Fill Out Assessments

As a user, I can fill out an assessment.

### Initiative Assessments

As a user, I can launch an assessment at any time.

### Random Assessments

As a user, I want to get random assessments about 5 times a day.

### Edit Time Preferences

As a user, I want to edit the time range of the time period of the day that I want to receive random assessment notifications.

### Daily Assessments

As a user, I want to receive a daily assessment at the end of each day.
